

1 Hour Introductory Offer. **(Non-EDT)**

An Introduction to The World of Driving. **Single 1 Hour Introductory Lesson (Non-EDT)**

If you are of the nervous type and wondering if you should dare venture into the world of EDT Lessons, then this is certainly the package to choose that will finally make your mind up. We want you to enjoy your introduction to the world of Driving in a totally relaxed and friendly atmosphere without the pressure of it been an EDT Lesson or the marking of a Logbook. Put all your fears aside and relax, as you remember that you are in a Dual Control vehicle and your safety is my main concern at all times. This 1-hour non-EDT Lesson includes an introduction to all the basic controls and safety aspects of the vehicle. There will be some driving involved in a controlled environment off road to ease students into the world of driving. This lesson is a must for people who just want the very basics and all for the special introductory offer price of just

€40.00
